How does it work?

1. We will provide you with a notice for you to display on your premises informing people that you are an Eden Affiliate. You will also receive a pack of 10 referral cards.
2. When one of your customers, staff, or friends expresses interest in joining Eden, simply complete our referral card and stamp it with your company seal.
3. When that person comes to Eden and presents their referral card, they will receive the discounted rate.
4. We will keep a log of all referrals under your company name. Your listing position in our newsletter and on our website will be based upon the total number of referrals you make.
